Looking for horizons

CHAUSSON
The spirit of innovation

The reasons to choose Chausson

Our innovations and layouts which are unique on the market.

Our high level of insulation, certified for all-season use.

A unique design, guaranteeing Insulation, Resistance and Protection.

Tournon-sur-Rhône, France

One of the largest automotive production sites in Europe, with an annual production of over 13,000 motorhomes and caravans.

Since 1980, we have continued to shake up the market by offering innovations, most of which have become references. For us a special series must be exceptional at a price that defies any competition.

Chausson

This remains the case this year but, this time, we are offering a range which is broad enough to meet all needs, all budgets and all preferences...

160 distributors,

genuine specialists in recreational vehicles. One of Europe's most extensive networks.

Find details of all our special series at:

www.motorhomes-chausson.co.uk

Photos, videos, product information and the name of your nearest dealer...

British and European safety standards independently verified and approved by the National Caravan Council (NCC).

Your dealer will be able to give you more information.

A simple offer

Exceptional value for money

★★★ **FIRST** *Line*

The essential comes as standard.

The number one advantage of First Line is its price,
but note that this is not to the detriment of
its equipment or design!

At Chausson, we remain loyal to our strategy based on the right price:
Everything that we think is essential for travelling, sleeping,
dining and living in a motorhome is supplied as standard!

Smart
lounge

ISOFIX

630

1 / Maxi bathroom with a very spacious shower stall and wardrobe.

2 / All our island beds are height-adjustable so that the garage area can be modified.

IRP structure:
GRP on roof/floor/sides,
Styrofoam insulation,
floor 64 mm thick,
roof 55 mm thick

as standard

Pan drawer, spices rack, bottle rack. 

Exclusive padded fabrics. 

Smart
lounge

 Maxi lounge: wardrobe featuring two large doors with mirrors (except 720).

★★★★

TITANIUM Vip

Exceptional series on Fiat.

TITANIUM is a legendary series from Chausson, combining design and a full range of equipment. This exceptional series is available for the first time as a VIP version, a level of equipment which not only offers the essentials as standard but also a large number of features which will make your life easier on holiday.

1 / SmartLounge, Each of the two bench seats can quickly be transformed into comfortable seats for road travel (Isofix certified).

2 / Transverse full width bathroom.

3 / All our twin beds are equipped with an integrated system convertible in XXL bed.

4 / Heated, illuminated garage holds, equipped with stowage hooks, electric plugs 12 V/230 V and 2 doors.

5 - 6 / External shower, gas external socket.

9-speed automatic gearbox.
16" alloy wheels.

6-speed automatic gearbox.
Automatically lighted headlights
and windshield wipers.

★★★★★

TITANIUM Premium

Exceptional series on Ford.

TITANIUM is a legendary series from Chausson, combining design and a full range of equipment. This exceptional series is available for the first time as a PREMIUM version, a level of equipment and sophistication which is unprecedented: the ultimate as defined by Chausson!

All our maxi lounges are equipped
as standard with an electric hideaway bed
easily accessible in its low position.

www.motorhomes-chausson.co.uk

All our maxi lounges are equipped with a wider entrance door with 2 locking points.

Entrance panel (depending on model).

Exclusive padded fabrics.

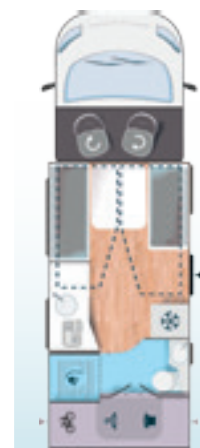

1 / Practical: all our maxi lounges are equipped with an electric table and there is no need to remove the cushions to fold down the bed!

2 - 3 / The EasyBed system lets you raise or lower the bed to adjust the size of the hold area according to your needs.

Wraparound cab blinds.
Premium mattress main berth.

**ALSO
DISCOVER
OUR OTHER BROCHURE
FOR VANS!**

- Weight ready for use: empty weight ready for use includes the driver's weight (75 kg) and the maximum reserve of water in circulation, 100% of fuel and 100% of gas. The empty weights ready for use on the list take into account only standard equipment upon shipment from the factory. European regulations tolerate a difference of +/- 5% on empty weight ready for use. The vehicle maker reserves the right to modify.
- Accessories and equipments fitted as an option are not included when determining the weight. Their weight should therefore be deducted from the available payload.
- You may be able to find certain heavy accessories like large blinds or generators in the marketplace. The weight of these accessories should be deducted from the payload and could possibly lead to a reduction in the actual passenger numbers. It is therefore important not to exceed the maximum loads on axles and the technically acceptable loaded weight when the vehicle is fully loaded.
- Clean water reservoir capacity (approved or our low profiles); capacity is 1 L, must comply with regulations vis up to the user to adapt loads and the number of passengers to the vehicle's loaded weight. To do this, clean water reservoir capacity can be adjusted by the user to avoid reducing the number of passengers.
- Some models photographed in this catalogue may be shown with equipment supplied as an option. The characteristics of photographed models may vary from one country to the next. Despite the care taken in producing this catalogue, this cannot be viewed as a contractual document. Chausson reserves the right to modify its models without prior notice. Chausson cannot be held liable for any modifications made by its suppliers nor typographical errors when printing these documents. It is forbidden to reproduce, even partially, text or document. Do not litter the public highway.
- Your retailer is at your disposal to advise you and provide you with any additional information.
- Where there are multilingual versions, the French text is the binding version.
